<https://astrodatabank.lunarastro.com/lunarastrokey/lunarastrokeygeneration>

How to Install the software and activate?

Click on the following link to watch the instructions videos

STEPS:

Click on Add to Cart

Fill your details

Varify your mobile no. via OTP

Once payment is done it will reflect the download button

Once the download is complete just install it like regular windows/mac software

Now open the installed software. It will ask ACTIVATION KEY

Activation Key will be generated by the users themselves via USER ID and AUTHENTICATION KEY

USER ID and AUTHENTICATION KEY will be reflected in your email id after successful purchase

Now click on the [**KEY GENERATION**](#)

User your USER ID and AUTHENTICATION KEY and other details to generate ACTIVATION KEY

Now enter the ACTIVATION KEY in the SOFTWARE

There you go!
